- Kenneth Brent Olsen, Northern Vice-Chair
- Jonathan Jaech, Southern Vice-Chair

**At-Large Members:**
- Boomer Shannon, At-Large
- Jason Wu, At-Large
- David Bowers, At-Large
- Wendy Hewitt, At-Large
- Robert Imhoff, At-Large
- Tyler Kuskie, At-Large
- Jennifer Imhoff, At-Large
- Baron Bruno, Alternate At-Large

Members not in attendance:
- Zachary Moore, At-Large
- Susan Marie Weber, At-Large
- Alex Appleby, At-Large

**The following guests were in attendance:**
- Jeff Hewitt, Regional LNC Representative
- Aaron Starr, Regional LNC Alternate
- Tim Ferreira, Database Committee
- Gail Lightfoot, San Luis Obispo County Chair pro Tem
- José Castañeda, Los Angeles County Chair
- Mike Everling, Former Candidate
- George Reis, Orange County Secretary
- Natalie Foley, Orange County Ambassador
- Paul Polson, Former Candidate
- Matthew Barnes, Alive Free Happy
- Angela McArdle, Former Candidate
- Bill Lopez, Member
Adoption of Agenda

It was noted that Jeff Hewitt, Regional LNC Representative and Aaron Starr, Regional LNC Alternate Representative were in attendance and therefore would be able to present the LNC report. The LNC Report was added to the agenda without objection. The Revised Agenda was approved without objection.

Election of Alternate At-Large Member

Nominations opened for the election of the Alternate At-Large Member:

- Mimi Robson nominated Chuck Hamm
- Robert Imhoff nominated Tim Ferreira

Candidates:

- **Tim Ferreira**: Tim is currently a member of the Database Committee and stated he has been a Libertarian since being able to vote at 18 and is ready to come onboard the Executive Committee and give it 110%.

- **Chuck Hamm**: Chuck is currently the Chair of the Ventura County Affiliate and was active on the Gary Johnson campaign as well as being an active member of the Platform Committee. Chuck was not in attendance but Aaron Starr spoke on his behalf.

Vote by Ballot:

- Chuck Hamm - 8
- Tim Ferreira - 5
- NOTA - 0

Alternate At-Large Member: Chuck Hamm was elected.

Libertarian National Committee (LNC) Report

Aaron Starr Regional LNC Alternate Representative, submitted a written report at the time of his presentation (see Appendix A) and presented an oral report at the meeting.

Jeff Hewitt, Regional LNC Representative, added to the report that although he wasn’t at the recent meeting he strongly supports California submitting a proposal for the 2020 LNC National Convention. He suggested that being in Los Angeles there would be a great opportunity to attract celebrity Libertarian speakers. He also mentioned that he has been receiving many calls and emails regarding issues with posts on the LNC Facebook page as well as recent comments made by the LNC Vice-Chair and that will be an issue at the upcoming meeting in Kansas City which he will be attending.
Officer Reports

Chair’s Report:

Ted Brown, Chair, reported the following:

- Steven Haug, Treasurer, has successfully been added as a signer on the Libertarian Party of California bank account at Wells Fargo Bank.
- The party has been receiving a lot of inquiries for prospective candidates for a variety of offices (i.e. Governor, State Senate and Assembly, City Council, etc.). Many perspective candidates will need funding for filing fees, candidate statements, etc. so it will need to be determined how best to do that. However another option is starting a crowd funding site, such as the GoFundMe campaign that Angela McArdle had for her recent congressional race. Many Libertarians are willing to support our candidates if they have an accessible way to do so.
- The Communications Director, Jennifer Imhoff, has been tasked with issuing press releases for the Party, therefore two were sent recently:
  - Press release regarding the City of Los Angeles’ new regulations of Marijuana distributors after the passing of Proposition 64. The new Marijuana plank of our Platform was quoted.
  - Press release regarding the Single Payer Health Care bill that was passed by the State Senate.

Ted suggested that anyone in the Executive Committee can submit press releases regarding current issues. Once submitted they will be reviewed and issued to the media.

Questions:

Tyler Kuskie asked if using a crowd funding site like GoFundMe was in compliance with FPPC requirements. Boomer Shannon spoke to the question stating that there are separate forms you can file to use crowdfunding sites as well as CrowdPac.com which is fully compliant. Although there is still a legal grey area in the use of other sites the FEC is allowing many on the national level and the FPPC is currently hearing arguments regarding changing the regulations.

Tyler Kuskie further questioned if we as a Party should have requirements to insure that candidates are in compliance with the FPPC and FEC.

Robert Imhoff raised a Point of Information asking if this subject would be better left for discussion during the Candidate Support Committee agenda item.

Northern Vice-Chair’s Report:

Kenneth Brent Olsen, Northern Vice-Chair, has submitted a report in advance (see Appendix B) and presented an oral report and fielded questions at the meeting.
Questions:

A question was asked about the status of the Plumas County Affiliate. They are of the belief that they are currently affiliated with the state however they only have one active member (the Chair). It was determined they would be listed as “Active” but not “Affiliated.

Southern Vice-Chair’s Report:

Jonathan Jaech, Southern Vice-Chair, has submitted a report in advance (see Appendix C) and presented an oral report at the meeting.

Mimi Robson added to the report stating that she has been working with the San Diego Executive Committee, in particular the Treasurer, Jim Dueweke, to get their membership updated. They have, with a few exceptions, updated the membership through the end of 2016 and will start the process for 2017. Their membership went from 89 members at the end of April 2017 to 115 members at the end of May 2017 and additional members have been added since. They are now the 2nd largest affiliate in the state.

Boomer Shannon added to the report that he recently spoke at a San Diego supper club and stated that it was a great success with many members in attendance. They have been actively growing and have put a really great organization in place. He also reported that the Alive Free Happy organization attended the Hermosa Beach Street Fair and gave out over 200 tests for the world’s shortest political quiz. They will also be doing a fair in Palos Verdes.

Questions: None

Secretary’s Report:

Honor “Mimi” Robson, Secretary, has submitted a report in advance (see Appendix D) and presented an oral report and fielded questions at the meeting.

Questions: Arron Starr mentioned that there had been an Operating Procedures Manual when he was the Chair in 2003 and that Daniel Wiener may have a copy of it. He also mentioned that when he was chair the party had sample county Bylaws for affiliates to either adopt or use as a guide to creating Bylaws.

Motion: Robert Imhoff moved and Jennifer Imhoff seconded to extend time on the Secretary’s Report by 4 minutes. The motion passed with no objections.

Questions: Robert Imhoff questioned the procedure for new memberships taken through the counties where payment is made with a credit card. If the County Affiliate doesn’t have the capability to process a credit card payment and they refer that membership to the state for processing, then would the state keep the full first year’s
membership dues? Mimi Robson answered that by saying that the payment can be noted that the “source” is the county but is unsure how that will then be processed by the treasurer for dues sharing as the Bylaws aren’t specific on this issue. It was the opinion of the body that the first year’s dues should go to the county regardless of where the payment is processed therefore it was agreed that the Database Committee will look into creating separate landing pages for each County Affiliate.

**Motion:** Boomer Shannon moved and Mimi Robson seconded to take a five minute recess which passed with no objections.

**Recessed:** 11:29 a.m.

**Reconvened:** 11:35 a.m.

**Treasurer’s Report:**

Steven Haug, Treasurer, has submitted a financial report in advance (see Appendix E) and presented an oral report and fielded questions at the meeting.

Steven Haug presented the following:

- All year-to-date transactions have been entered in QuickBooks with the correct categories.
- Updated auto pay accounts (that he is currently aware of) with new debit card account.
  - In the future there should be a document maintained by the Treasurer with all accounts such that the incoming Treasurer is aware of what needs to be updated.
- Attempted to reconcile books with the bank statements but they are currently not in balance.
- Get FPPC reporting up to date. Starting in 2017 FPPC reporting will be done using the books for financial data.
  - Jeff Hewitt said he will contact an attorney that is a former director of the FPPC for guidance.
- Determine the current amount of dues sharing amounts that need to be mailed out to the county affiliates and get those payments made.
  - Treasurer will work with the Secretary to get the dues sharing amounts up to date.
- Explore alternative to authorize.net for check and credit card processing.
Robert Imhoff mentioned that the check and credit card processing services have been added to the Database Committee for investigation.

**Questions:** None

---

**Financial Standards Committee**

Per the Bylaws below, the Executive Committee is responsible for selecting a Financial Standards Committee:

**Section 7**

The Executive Committee shall select a Financial Standards Committee during the first three months after a convention. The Financial Standards Committee shall review the financial records and processes of the Party and report its findings at each subsequent Executive Committee meeting and at the next state convention.

Ted Brown has reached out to Willard Michlin, Forensic Accountant and former Party Treasurer to be a part of this committee with no response. Robert Imhoff suggested that Terry Floyd, Treasurer of Alameda County be a part of this committee.

**Motion:** Ted Brown moved to add Terry Floyd to the committee with no objection

Terry Floyd will now be on the Financial Standards Committee and we can choose additional members in the future.

**Motion:** Boomer Shannon moved and David Bowers seconded to move the Newsletter Report as the next agenda item. Motion passed without objection.

---

**Newsletter**

Ted Brown reported that there had been one Newsletter sent out to the membership after the convention and that was the final newsletter under the current contract. He stated that the email was sent using the Robly service and asked that the webmaster add the newsletter to our website.

Boomer Shannon mentioned that Elizabeth Brierly hadn’t been paid yet, as agreed and the Treasurer said he will pay her as soon as he receives the invoice.

Ted Brown suggested that we need to determine how many more newsletters we wish to contract and whether we should have a printed copy of the newsletter to be sent via US mail. After discussion it was the sense of the body, with no objections, that Jennifer Imhoff as Communications Director, will consult with the printer recommended by Tim Ferreira and Elizabeth Brierly and will return a written report on the feasibility of a printed copy of the newsletter.
Motion: Robert Imhoff moved to recess for lunch until 1:20 p.m. Motion passed without objection.

Recessed: 12:35 p.m.

Reconvened: 1:24 p.m.

Committee Reports

2017 Convention Committee Report:

Jennifer Imhoff submitted a report in advance (see Appendix F) on behalf of the 2017 Convention Committee and presented an oral report at the meeting.

Questions: David Bowers asked for clarification on the profit and/or loss for the event. Robert Imhoff clarified that the party currently doesn’t owe the Marriott any money, however the Marriott had overcharged us one several items which the Treasurer will be working on to get those returned. In the end it looks like we will either suffer a very small loss or will break even. Ted Brown mentioned that even if we lost a small amount of money there was a very positive “vibe” at the convention so he feels it was a success.

Ted Brown asked if additional videos from the speakers will be posted and Robert Imhoff answered that unfortunately, other than the speakers at the Banquet and Reception, the videos were corrupted. He said that because there was a lack of volunteers to run the equipment in the speaker’s room the events were not captured correctly.

Audio Visual Equipment Report:

Ted Brown stated that he put the AV equipment as a separate agenda item as it seems that the funding for the purchase of the equipment wasn’t authorized the way it should have been.

Robert Imhoff reported that they had understood the Operations Committee had authorized the purchase but it was actually that both the Northern and Southern Vice-Chairs were contacted about using a portion of their Office budget for this purchase which would be $2,500 from each region. Jonathan Jaech had agreed that the Southern region would support this however the previous Northern Vice-Chair had not responded. The current Northern Vice-Chair, Kenneth Brent Olsen agreed to contribute the $2,500 from his Office budget.

Robert Imhoff continued, stating that the total budget was $5,600 and the additional $600 had to be approved. Boomer Shannon said he would personally contribute $100 so the remaining $500 would not need to be approved.
Questions: Ted Brown asked what the purchased equipment was and where was it being stored. Robert Imhoff answered that the equipment had been purchased such that it could be split 50/50 between the North and the South. Some equipment purchased was not needed for the Convention but was purchased so that both regions had fully functioning equipment without have to borrow from each other. All items have been inventoried and have asset tags and Jonathan Jaech took possession of the South’s asset but they are being stored by Alive Free Happy. Currently the North’s assets are being stored in the Imhoff’s garage.

Jonathan Jaech asked if it was appropriate for the equipment to be available to the county affiliates and it was the sense of the body that so long as there is a chain-of-custody it shouldn’t be a problem. For instance, right now the Southern Vice-Chair took possession of the equipment so if something goes missing it will be his responsibility.

Office Reports

Northern Office:

Tyler Kuskie reported that he had visited the storage unit that the party is renting in the Sacramento Area and provided an inventory of the contents (attached as Appendix G).

Questions: Kenneth Brent Olsen asked what the cost of the Storage Unit was and it was answered to be approximately $120 per month. Robert Imhoff, Tyler Kuskie and Kenneth Brent Olsen will meet and decide where the inventory can be stored.

Southern Office:

Boomer Shannon reported that the office is small and they are storing supplies. They are collecting mail and are available if anyone wants to come by. Boomer Shannon asked that if someone wants to visit the office to call him first to insure someone is there.

Questions: None

Motion: Mimi Robson moved and Boomer Shannon seconded to have a 5 minute recess to set up audio visual equipment for the Convention proposals with no objection.

Recessed: 2:03 p.m.

Reconvened: 2:09 p.m.
2018 State Convention (Time Certain 2:00 p.m.)

2018 Long Beach Convention Proposal: (2:10)

Honor “Mimi” Robson submitted her proposal to the Executive Committee prior to the meeting (Appendix H) and presented it orally at the meeting. The following points were added in the presentation:

Further Benefits…

- The host hotel is a Marriott which means we can use our Marriott rewards points for rooms for speakers, therefore there would be no out of pocket cost.

- There are many motels and hotels that surround the Marriott therefore members that decide not to stay in the host hotel will have lower cost alternatives.

- For those that do not stay in the Marriott, parking is still free.

- There are many food and beverage options that closely surround the Marriott so there are many dining options in addition to the hotel restaurants and bars.

- Negotiations are already underway with the Marriott so we will be able to finalize the contract quickly and begin pre-selling Convention Packages a full nine months prior to the event.

Convention Committee Recommendations…

- It would be beneficial for Robert and Jennifer Imhoff to be members of the Convention Committee as they have the experience from our recent Convention and can take the lessons learned there to improve the 2018 Convention.

- Thom Taylor has volunteered to be a member of the committee and has access to many amazing speakers. He has already been in contact with Matt Stone and Trey Parker, co-creators of South Park, and they have expressed interest in speaking in Long Beach!

- George Reis is an officer of the Orange County Affiliate and is in close proximity to Long Beach and has volunteered to help with organizing the event.

- Chuck Hamm, Chair of the Ventura Affiliate has volunteered to be a part of the planning and preparation for the event.

Questions:

Bill Lopez asked about shuttle service to the Long Beach Marriott from the surrounding airports. Mimi Robson answered that there is free shuttle service from the Long Beach Airport but there isn’t a free shuttle option from Los Angeles International or Orange County airports.
Bill Lopez asked about additional Hotels and food options in the area as he is concerned that if we have the event in a secluded area it makes it harder for those on a budget to attend. Mimi Robson pointed out several options within about a mile and a half of the hotel and noted that the Marriott offers free parking so it would make it easier for those that wish to stay offsite to attend. She did mention that for the most part it wouldn’t be within walking distance with the exception of restaurants, such as Baja Senora, which is a 5 minute walk from the hotel.

Jonathan Jaech questioned if the free parking was off-site and Mimi Robson answered that the on-site parking at the hotel itself is free.

Robert Imhoff asked three questions.

- If the Long Beach proposal is selected would you be willing to work with the other bidders in planning the convention?
  - Mimi Robson answered that whichever proposal is chosen she hopes to work on the committee for the convention to insure that it’s a profitable and well attended event.

- What is your understanding of the menu options with alternate proteins for vegan and vegetarian diets?
  - Mimi Robson answered that the Long Beach Marriott offers many vegan and vegetarian options therefore all packages for the lunches and banquet will include a vegan option.

- Do you have an understanding of what the maximum per plate price would be for the lunches?
  - Mimi Robson answered that the Long Beach Marriott offers several buffet and plated lunch options which would range from $36-$49 per plate, which is far lower than the 2017 Convention lunch per plate cost.

Prior to the next two proposals Gail Lightfoot spoke to the committee regarding her intent of asking that we put out a call for bids for the Convention.

She stated, “The reason that I asked for a call for bids last August is that the party has gotten a little lax in planning the conventions enough ahead of time to promote them. And without a print newsletter it’s even harder to do that. So now we have three separate bids and I have another suggestion to make if you don’t decide on something today. But we’ve accomplished my purpose of having us act far enough in advance to succeed."

**2018 Marina Del Rey Convention Proposal: (2:30)**

José Castañeda presented his proposal for the 2018 Convention to be held at the Marina Del Rey Hotel. There was a two page hand-out with hotel information (Appendix I) a pamphlet from the Marina Del Rey Tourism Board and two YouTube videos where shown: 
https://www.youtube.com/watch?v=tYhnAav0-Bo, Things To Do in Marina del Rey
https://www.youtube.com/watch?v=_uFOyTaXlaA, Marina Del Rey Hotel

The hotel doesn’t offer a food and beverage program for complimentary meeting room space so the rental cost for the business room would be $1,000 per day. If we have $6,500 in sales for the luncheon the banquet room fee would be waived for the banquet room.

The room rate, per night, is $289 and although the hotel said they would work with us on that it likely won’t be much less than that.

Questions:

Aaron Starr questioned the size of the meeting room. On the information provided it appears the largest room would only accommodate 100 people which is less than the attendance of the 2017 Convention. José Castañeda answered that he has seen the space and feels it could accommodate more.

Baron Bruno questioned the number of rooms in the hotel (155 total) and also mentioned that parking is $30 per day. José Castañeda stated that parking would only be $10 per day and there is beach parking approximately a block away that is only $7 for each 24 hour period.

2018 Ontario Convention Proposal: (2:45)

Gail Lightfoot presented her proposal for the 2018 Convention to be held in Ontario at the Ontario Radisson. Her purpose of the proposal is that she would like to see the party have an affordable and well run convention as it seems we haven’t been doing that recently. This is the reason she brought up the call for bids when she did so we could get some competitive bids, which we did. This will inspire current members will go to the convention and inspire new members to join us.

- Convention History:
  - The years with the highest delegate count were between 2005 and 2011 with a high of 131 delegates and a low of 111 delegates.
  - The years with the lowest delegate count were between 2012 and 2016 with a high of 78 delegates and a low of 44 delegates.
  - The 2017 Convention had 93 delegates.
  - We need to address the lower attendance problem by having conventions that are extremely affordable.

The Ontario Radisson was originally built as a Marriott and is the location of the 2003 State Convention. The Radisson offers the following:

- The hotel is directly adjacent to the Ontario Airport and they offer a free shuttle to and from the hotel.
  - The drawback is that the Ontario Airport is more expensive to fly into.
- The Radisson offers 21,000 square feet of flexible event and meeting space.
- 299 Guestrooms that have high speed internet and complimentary parking.
- There is a restaurant and a bar that sells food on the premises.
• They have an on-site gym, pool, spa and racquet ball and tennis courts.
• The room rate at the Radisson would be $84 per night.
• The food and beverage requirement for a two and a half day event would be $7,500 to have the meeting space provided at no charge.

Additional recommendations:
• Have a Friday training session for candidates given by the Leadership Institute (www.leadershipinstitute.org).

Questions:
Robert Imhoff asked three questions.

• If the Ontario proposal is selected would you be willing to work with the other bidders in planning the convention?
  o Gail Lightfoot answered that she is limited in her ability to travel as she is in San Luis Obispo and her son drives her now. But anything she can do from home she is willing to do and will welcome all the help she can get.

• Do you have an understanding of what the maximum per plate price would be for the lunches?
  o Gail Lightfoot showed a lunch menu on the screen that listed the per plate price for the lunch menu at $23.95 however the menu was from 2013 (not current). It was also noticed that in addition to the per-plate pricing there was an additional 21% taxable service fee.

• What is your understanding of the menu options with alternate proteins for vegan and vegetarian diets?
  o Gail Lightfoot answered yes, she is very aware of what food options are available because she has food allergies. She is not just choosing to eat differently than other people, she gets sick if she eats the wrong thing.

Motion: Robert Imhoff moved and Boomer Shannon seconded to suspend the rules and extend the discussion for an additional 10 minutes. The motion passed with no objections. (3:11 p.m.)

Discussion:
Jennifer Imhoff noted that in her presentation, Gail Lightfoot mentioned that for the 2003 Convention her and her companion had made a profit on the event. She questioned if Gail would be retaining any profit on this convention if her bid was chosen. Gail Lightfoot explained that in the past the profit did go to the organizers however the agreement could be written that the party would receive any profit.

Matthew Barnes spoke in support of Gail Lightfoot’s proposal to have the 2018 Convention in Ontario. He stated that he and the Alive Free Happy Organization had originally intended to host the 2018 event as they have been waiting for 10 years to do so. He further stated that for
the past 10 years the party Officer’s had already locked down the
convention before he could present a proposal. He stated he was
speaking on behalf of a large group of active members and urged the
committee to vote for Ontario as the host location if they feel they have
enough information to make a decision today.

**Motion:** Robert Imhoff moved to vote today on which location to hold the 2018
Convention; Ontario, Long Beach or Marina Del Rey.

**Motion:** Boomer Shannon moved and Robert Imhoff seconded to amend the
motion to vote by roll call. Amendment passed without objection

**Discussion on Main Motion:**
Boomer Shannon stated he felt that the Committee should table the
main motion until the next Executive Committee meeting in September
to give the Convention bidders additional time, as two of the three
proposals needed additional information for us to make a decision
today.

Robert Imhoff spoke in opposition to tabling the main motion as all the
bidders had sufficient time and the committee needs to make this
decision now so that planning can go forward.

Time for discussion expired.
Main Motion passed without objections

**Vote:** (3:22 p.m.)
- Boomer Shannon: Ontario
- Jason Wu: Ontario
- **David Bowers:** Long Beach
- **Wendy Hewitt:** Long Beach
- **Robert Imhoff:** Long Beach
- **Tyler Kuskie:** Long Beach
- **Jennifer Imhoff:** Long Beach
- **Baron Bruno:** Long Beach
- **Kenneth Olsen:** Long Beach
- Jonathan Jaech: Ontario
- **Steven Haug:** Long Beach
- **Mimi Robson:** Long Beach
- **Ted Brown:** Long Beach

Long Beach: 10 votes
Ontario: 3 votes
Marina Del Rey: 0 votes
NOTA: 0 votes

**Long Beach will be the host of the 2018 State Convention**
Motion: Robert Imhoff moved and Boomer Shannon seconded to have a 5 minute recess with no objection.

Recessed: 3:24 p.m.

Reconvened: 3:34 p.m.

Committee Reports (continued)

Website Committee Report:

Jason Wu, Website Committee Chair, reported the following:

- Updated several events for both Northern and Southern California affiliates
- Per the Secretary’s request, he separated Bylaws and Minutes into two separate pages
- Updated the Newsletter to include the newest edition

Questions:

Ted Brown asked about the events on the website; the events are listed on the event page, however when you click on each event it brings you to a page where the date the event was posted is more prominent than the date of the event itself. Jason Wu said that he would look into correcting that.

Ted Brown asked if it would be beneficial for other members of the Executive Committee to have access to edit the website. Jason Wu answered that it would be up to the discretion of the Chair to determine who would have access.

Point of Information: Robert Imhoff asked who is currently on the Website Committee. Ted Brown answered that he didn’t think there was a committee, just a webmaster. Boomer Shannon added that there is a committee and he was on it among others. Tyler Kuskie offered that there had been a Website Formation Committee in which he, Jarrett Tilford, Jason Wu and possibly others were members. He wasn’t sure if that committee had continued after the website was created.

Motion: Robert Imhoff moved that whereas we only have one webmaster with full administrator access to the website and whereas the ability to update the website is critical, he proposed that the chair form a Website Committee and all members of the Committee have full access to edit the ca.lp.org website. Kenneth Brent Olsen seconded the motion.

Discussion: David Bowers questions how many people would have access as he fears that if the full committee had access it could create problems. He would feel comfortable with a smaller committee.
Boomer Shannon spoke against the motion stating that there have already been complaints that it takes too long to update the website and adding a committee into the mix will just make things take longer.

Jonathan Jaech spoke against the motion because he feels that it doesn’t need to be micromanaged by a committee; we have a Chair that can add and remove administrators of the website as he sees fit.

**Call the Question:** Robert Imhoff moved to call the question

**Motion:** Boomer Shannon moved and Jason Wu seconded to suspend the rules and extend the time for discussion by 3 minutes.

**Vote:** 4 in favor and 5 opposed; does not have the 2/3’s required.

**Vote:** Vote on Main Motion: 8 in favor and 3 opposed. Motion Passed.

**Website Committee:** The Chair appointed Jason Wu, Boomer Shannon, Mimi Robson, Tyler Kuskie and Robert Imhoff to the Website Committee.

**Database Committee Report:**

Robert Imhoff, Database Committee Chair, submitted a report in advance (see Appendix J) and presented an oral report at the meeting.

**Questions:** Ted Brown asked what exactly the $500 budget that the Committee is asking for would be used for. Robert Imhoff spoke to the question stating that the Committee would be purchasing the lowest tier of service for the three database programs that are under consideration for a three month test; NEON, CiviCRM and Nation Builder.

David Bowers questioned if we need to further consider NEON as it seems that we already know that it will fail. Boomer Shannon spoke to the question stating that the way that our current version of NEON is set up is not the way the current Database Committee would set it up. The way that the program is currently set up is broken so we would be testing the program in a different configuration to see if it could meet our needs. We won’t know this until we test a clean version.

**Motion:** Whereas the Database Committee is ready to move on to Phase 2 Robert Imhoff moved and Baron Bruno seconded that the Executive Committee allocates $500 for testing of a replacement database.

**Vote:** 8 in favor and none against. Boomer Shannon verbally abstained. Motion to allocate $500 to the Database Committee passed.
IT Report:

Robert Imhoff, submitted a written report after the meeting (see Appendix K) and presented an oral report at the meeting.

Motion: Baron Bruno moved and Kenneth Brent Olsen seconded to form an IT Committee.

Discussion: Jonathan Jaech questioned if the IT Committee would be separate from the Database Committee. Robert Imhoff spoke to the question stating that the two committees require separate skill sets and that the Database Committee has already just taken on a major task.

Vote: 9 in favor and none opposed. Motion to create an IT Committee passed.

IT Committee: The Chair appointed Jason Wu, Tyler Kuskie and Robert Imhoff to the IT Committee

Communications Director Report:

Jennifer Imhoff, Communications Director, submitted a report in advance (see Appendix L) and presented an oral report at the meeting.

- Jennifer Imhoff would like to start up a Social Media Committee where she can delegate tasks to a couple of other people. She would set up a Hootsuite account so other committee members wouldn’t have the account passwords.
  - The Chair, with the support of the body, authorized Jennifer Imhoff to add people to the Social Media accounts as she sees fit.

Social Media:

Jennifer Imhoff, Social Media Chair, submitted a report in advance (see Appendix M) and presented an oral report at the meeting.

- Jennifer Imhoff also requested a budget of $25 to boost certain posts and see how effective that would be.

Motion: Baron Bruno moved and Boomer Shannon seconded to allot $90 ($30 per month) to be used to boost social media posts. The motioned passed with no objection.
Budget

Motion: Boomer Shannon moved and David Bowers seconded to Table the Budget until our next meeting. The motion passed without objection.

Motion: Boomer Shannon moved and Jason Wu seconded to Table the Candidate Support Committee until the end of the day. Tyler Kuskie objected.

Vote: 7 in favor and 1 opposed. The motion passed.

Bylaws Committee Election

Per the Bylaws, the Executive Committee appoints a 5 member Bylaws Committee to present amendments to the Bylaws at the next Convection. Nominations opened for Bylaws Committee Members.

Jennifer Imhoff nominated Mimi Robson
Kenneth Brent Olsen nominated Boomer Shannon
Boomer Shannon nominated A Brent Olsen
Mimi Robson nominated Robert Imhoff
David Bowers nominated José Castañeda
David Bowers nominated Gail Lightfoot

Vote: Kenneth Brent Olsen 10
Robert Imhoff 8
Mimi Robson 7
Boomer Shannon 7
José Castañeda 7
Gail Lightfoot 6
Jennifer Imhoff (write-in) 2
NOTA 1

Kenneth Brent Olsen, Robert Imhoff, Mimi Robson, Boomer Shannon and José Castañeda were elected to the Bylaws Committee. The Committee will elect the Chair of the Committee.

National Platform Committee Representative Election

Per National Libertarian Party (NLP) Bylaws, Article 11.3, as the state with the largest number of sustaining members California is to name a Platform Committee member for the 2018 national convention in New Orleans. NLP Bylaws, Article 11.5, also specifies that California can opt to appoint one or more ranked alternates for that same position, in case the primary appointee later vacates the position or is absent from a meeting.
Nominations opened for the National Libertarian Bylaws Committee Member.

- Wendy Hewitt nominated and Boomer Shannon seconded **Aaron Star**
- Robert Imhoff nominated and Boomer Shannon seconded **Mimi Robson**

### Candidate Support Committee and Fundraising

Ted Brown indicated that at the April 30, 2017 Executive Committee it was approved that the Chair would appoint a lesser number of members to the Candidate Support Committee, however in the original motion to create the Candidate Support Committee it was stated that the Committee would be made up of all the members of the Executive Committee.

**Motion:** Jonathan Jaech moved and Mimi Robson seconded to allow the Chair to appoint a lesser number of members to the Candidate Support Committee.

**Vote:** 12 in favor and none opposed. Motion passed.

**Candidate Support Committee:** In addition to himself the Chair, Ted Brown, appointed Jonathan Jaech, Mimi Robson, Baron Bruno and Alex Appleby to the Candidate Support Committee.

Ted Brown also reported that Stephen Blakeman resigned as the Treasurer of the Candidate Support Committee.

**Motion:** Boomer Shannon moved and Kenneth Brent Olsen seconded to authorize the Chair to appoint the Treasurer of the Candidate Support Committee. Motion passed with no objection.

**Ted Brown will appoint a Treasurer for the Candidate Support Committee within the next week.**

**Motion:** Boomer Shannon moved and Kenneth Brent Olsen seconded that the Libertarian Party of California wishes to thank Stephen Blakeman for his service as Treasurer of the Candidate Support Committee. Objections raised.

**Vote:** 4 in favor and 5 opposed. Motion failed.
Campaign 2018

Baron Bruno reported that he hasn’t yet started fundraising as he was waiting for procedures to be in place for accepting donations through a database and also the ability of accepting credit card donations. He also reported that he wants to create an online resource to make it easier for candidates to get the information they need to run an effective campaign and in the process monetize the system by offering the service to candidates in other states.

Set Next Meeting

Motion: Ted Brown moved to set next meeting on Saturday, September 23rd at Harry’s Hofbrau. Motion passed with no objections.

Next meeting will be at Harry’s Hofbrau, 390 Saratoga Avenue, San Jose, CA 95129 on Saturday, September 23, 2017.

Adjournment

The Executive Committee was adjourned at 5:26 p.m.

Minutes were approved by the Executive Committee via email motion on June 22, 2017

LNC REPORT (submitted by Aaron Starr)

Membership levels reached a recent high in January at 20,714, but we anticipate losing anywhere from 4,000 to 5,000 by August. As of the end of May we had just over 18,300 active donors.

Our development director, Lauren Daugherty, has been performing a good job. The party raised around $378,000 in the first quarter of the year, which is higher than the first quarter fundraising for any year going back to at least 2005. Since a larger than normal portion of the Q1 revenue was from a single individual and those results were combined with two successful matching challenge fundraising efforts, we should not necessarily expect the rest of the year to be as good.

We decided not to renew Carla Howell’s contract as Political Director, instead, we will be hiring a Communications/Press Secretary and a Candidate Support and Recruiter.

On the ballot access front, we emerged from the 2016 elections with retained or gained ballot access in 37 states plus D.C., the highest ever after an election in the party’s history.

We interviewed a pair of political consultants for a task of extensively reviewing and making recommendations for the Libertarian Party’s messaging (and modes of messaging), inclusion in the debates, fundraising and campaign finance, campaign mechanics and state and local affiliates. Their proposal was rejected.

There has been some concern over Social Media Management. The LNC established a five-member Social Media Process Review committee to make recommendations on how to best handle social media.

The Audit Committee engaged Mark Frye’s firm to conduct the 2016 audit at a cost of $14,000.

The LNC directed staff to build relationships with sympathetic Congressional staffers, particularly in the Senate, and direct up to half of our candidates and campaigns budget for that purpose.

The LNC contributed $5,000 towards a special election for filling a congressional seat in Montana. That candidate performed well in the debates, but only received 6% of the vote in a three-way race.

The LNC has established a Historical Preservation Committee for cataloging, preserving, and resenting historical Libertarian Party documents. The LNC is spending $5,000 to move records from D.C. to Colorado.

The LNC through its Convention Oversight Committee will be searching for potential locations for the 2020 Presidential Nominating Convention. Perhaps we can get in a bid for Los Angeles again.
Bylaws Committee was populated with ten members from a pool of 51 applications. Joshua Katz was selected as the interim chair.

Platform Committee is a twenty-member committee. Five of those members are selected by the LNC and the balance by eligible affiliates. The LNC shoes five members from a pool of 81 applicants. It required six rounds of voting and finally a coin toss to break a tie in selection the fifth person. Alicia Mattson was selected as the interim chair. California is entitled to select a member.

June 11, 2017 - Southern Vice-Chair’s Report

This is the first quarter after our 2017 convention April 28-30, so I'm calling it Q1. We got a nice energy boost from the convention. After the fatigue of hard work passed, people turned to their activism business, thinking ahead to next year or to building infrastructure and relationships for liberty. Our new Secretary and Treasurer have been diligent and hard working - not that others haven't been. We are fortunate to have such committed and capable people joining us.

There's no way I can report on all the swirling political currents, but here's a few. Jimmy Gomez ended up plastering false-Democrat Robert Lee Ahn by a 20% margin for the 34th Congressional District. It's pretty much a one-party state here in the Metropolis of Southern California, with just a few Republican enclaves holding on. The Commissariat is moving to take any further semblance of control over our own health care away from us, with California single-payer. In exchange they offer an illusion of adequate care for all. LA County passed a sales tax increase to fund special interests claiming sovereignty over homeless people. Darkness increases all around us, but we must still carry on with genuine hope for true and lasting liberty.

More towards the navel, Boomer made a trip to the San Diego Convention. I'd like to hear his report after I'm done, if he's willing. If anyone else here was there, let's hear from them too. Michael Warnken is still considering the job of Chair Pro Tem in Santa Barbara. He needs to join the Central Committee first; we'll get that done if it's meant to be. If you know of anyone else interested in the job, let me know. If I understood her correctly, Gail Lightfoot hinted that the Ex Com should consider rescinding any prior disaffiliation of the last SLO County affiliate chaired by Gail. I will let Gail speak for herself because I am not sure I understood her meaning correctly. I'd prefer to see local activists hold an organizing convention in each of those Counties, after we help them by reaching out to libertarian voters with some of our newly exercised capabilities. The first part of that has to happen before the second can. The first ain't happening yet, apparently due to lack of interest.

The affiliate-organizing-by-convention business is putting the cart before the horse, if it lacks local support. Before visible affiliates can organically emerge, grassroots support must be cultivated. We need informal clubs that identify as libertarian and support one another. Just groups of friends, really, who identify with us and include members of our central committee. Friends will collaborate on ways to make friends and support one another without getting thumped by the powers-that-be. Once we have a friends network doing grassroots activism, the visible affiliates with spending power will emerge when they are needed. I'd like to hear your ideas and plans about how you are going to build your own libertarian club, and make it thrive wherever you are. And I encourage the Ex Com to support people who are doing such things without trying to control them. Let's set an example of mutual respect, non-aggression and group effectiveness for others. Let's make the Ex Com a group we are all honored and privileged to be a part of, because of the remarkably good things we accomplish and the great friends we make while working together. There are a million other things to say, but I'm out of time.

Secretary’s Report
For June 11, 2017 Executive Committee Meeting

The following is the status of LPC Minutes since last reported at the Executive Committee Meeting on February 26, 2017 in Monrovia:

- November 19, 2016 Executive Committee Minutes – A motion to amend was made by Honor Robson and Seconded by David Bowers on March 1, 2017. Voting ended after 120 hours on March 6, 2017 as follows:
  - Voting “aye”: Gale Morgan, Brian Thiemer, Jonathan Jaech, Ted Brown, Alex Appleby, Baron Bruno, David Bowers, Wendy Hewitt, Honor Robson and Gail Lightfoot
  - Voting “nay”: none
With a final vote tally of 10 – 0 the motion passed with greater than a simple majority of 8

- February 26, 2017 Executive Committee Minutes – Draft Minutes were distributed via email on March 9, 2017. After email discussion a motion was made by Honor Robson and seconded by William Hajdu to approve on March 12, 2017. Voting ended after 120 hours on March 17, 2017 as follows:
  - Voting “aye”: Honor Robson, William Hajdu, Starchild, Ted Brown, Wendy Hewitt, Alex Appleby, Jonathan Jaech and Baron Bruno
  - Voting “nay”: none
  - Expressed Abstention: Brian Thiemer
With a final vote tally of 8 – 0 – 1 the motion passed with a simple majority of 8

- April 29-30, 2017 Convention Minutes – Draft Minutes were distributed via email on May 14, 2017. After email discussion a motion was made by Honor Robson and seconded by Kenneth Brent Olsen to approve on May 17, 2017. Voting ended after 48 hours, with all Committee Members assumed to be present (per the Bylaws) on May 19, 2017 as follows:
  - Voting “nay”: none
  - Abstention: Jonathan Jaech, Boomer Shannon and Jason Wu
With a final vote tally of 12 – 0 – 3 the motion passed with a 2/3 Majority.

- April 30, 2017 Executive Committee Minutes – Draft Minutes were distributed via email on May 21, 2017. After email discussion a motion was made by Honor Robson and seconded by Robert Imhoff to approve on May 24, 2017. Voting ended after 48 hours, with all Committee Members assumed to be present (per the Bylaws) on May 26, 2017 as follows:

Voting “nay”:  none

Abstention:  Susan Marie Weber, Boomer Shannon and Jason Wu

With a final vote tally of 12 – 0 – 3 the motion passed with a 2/3 Majority

The following is the status of LPC email motions since I assumed the position as Party Secretary (Note: Email motions made after the last reporting on June 27, 2016 and prior to February 1, 2017 (if any) have not been reported as I have no access to business transacted in that time period):

- Election to fill At-Large Representative Seat after the resignation of Eric Vaughnes on May 1, 2017. Honor Robson moved and Kenneth Brent Olsen seconded that Jennifer Imhoff, At-Large Alternate Representative, fill the vacated At-Large seat on May 2, 2017. Voting ended after 48 hours, with all Committee Members assumed to be present (per the Bylaws) on May 3, 2017 as follows:

  - Voting “nay”:  none
  - Abstention:  Susan Marie Weber, Tyler Kuskie, Boomer Shannon and Jason Wu

(Note: Tyler Kuskie voted aye after the voting had closed.)

With a final vote tally of 11 – 0 – 4 the motion passed with a 2/3 Majority

The following is the status of LPC Membership since last reported at the State Convention on April 29, 2017 in Santa Clara:

- The membership at the end of the first quarter of 2017 was 1,044 members and the membership as of May 31, 2017 was 977 which is a 7% decrease. Much of this drop seems to be members that joined at the time of the 2016 presidential election and had not affiliated with a county or signed the State Pledge.

- Joe Dehn, Santa Clara County Chair, requested that I produce a report which shows the total membership numbers by county and that document is attached to this report.

Membership database:

- Since the 2017 Convention I have continued my work in reconciling the state database with the County Affiliate records. I have completed the reconciliation of the following counties:

  - Contra Costa
  - Kings
  - Monterey
NOTE: Jane Heider, Secretary, sent a check for $75 that hasn’t been processed by the state. The membership has been updated and she will send a replacement check.

- Orange
- San Diego
  NOTE: I am still working with Jim Deuweke to finalize their membership.
- San Francisco
- San Mateo
- Santa Clara
- Ventura

- I have still not been able to verify the County Executive Committee members for Nevada County and Kern County.
- I am still working to correct the issue of memberships that show as being “Deferred.”

2017 Convention:

Although the on-site registration was a bit hectic as Jennifer Imhoff, Susan Aquino and I were getting into a rhythm; we were able to get all delegates registered and process all purchases through NEON. For future Conventions I would suggest the following process be followed:

- Have three stations set up for registration
  - One station for general convention check-in; pre-purchased packages
  - One station; delegate check-in for sign in and to obtain delegate badge
  - One station for all on-site purchases and non-registered delegates which would include access to NEON (or other membership database)
    - All on-site registration and purchases should require completion of registration forms, including credit card information, to reduce the time required for each registrant

Operating Procedures Manual:

Bylaw 29: Operating Procedures Manual

The Secretary shall maintain an addendum to the bylaws that contains operating procedures that are created by a vote of the Executive Committee or the Operations Committee.

The addendum shall be published and made available in the same way as the bylaws so that anyone who can access the bylaws can also access the addendum, including, publication of the page on the Party’s website that is readily available to any member, to be updated in the manual within 30 days.

- After extensive research it appears that the Operating Procedures Manual hasn’t been maintained for many years. Therefore it seems the best way to move forward is to start building a collection with only the policies adopted by the current board.
• It would be noted that this is an incomplete collection and will start from the date of the first standing resolution.

Libertarian Party of California State and County Bylaws:

Bylaw 10: Officers

Section 5

…..

The Secretary shall cause the most recently adopted Platform, Program, and Bylaws and Convention Rules, as well as the Bylaws of all county organizations to appear on the Party website not more than thirty days after adoption.

• Per the Bylaws, it is the Secretary’s responsibility that the most current California Libertarian Party Bylaws as well as the Bylaws of each County Affiliate to be posted to the State website
• It will be necessary to separate the Bylaws from the Minutes on the State website, therefore I request that a separate, clickable tab be added to the “About” menu of the website for Bylaws
• I will be requesting that each County Affiliate send a pdf file of their most recently adopted Bylaws so that they can be added to the website

Executive Overview

The 2017 convention committee managed to put together a successful convention under many pre-existing restraints. Our goal going into this convention was to increase both general and delegate attendance and to begin addressing the recurring complaints of past years. Based on this internal convention committee goal we were successful by seeing with the highest level of attendance in over 6 years! In addition we feel that we had addressed many of the concerns raised about past conventions and it has shown through individual thanks and letters to the executive committee.

With a combination of an aggressive internal scheduling, innovative strategies and detailed communication the convention committee was able to prepare the state convention in under 70 days. Through these efforts the 2017 convention has been able to regain delegate confidence in the value of our yearly state convention. This year we included a lot of traditional convention activities along with requirements set forth by our bylaws. Additionally we were able to experiment with various new components, such as live streaming, added presentation with pipe and draping, professional signage, and uniformed volunteers.

At this time, we are unsure of this event’s final financial results due to charge discrepancies from the Santa Clara Marriott, PSAV, and speaker reimbursement. The convention committee is still currently working out these details with the appropriate parties to ensure all charges match services rendered. We have prepared an estimated P&L estimate in this report but will submit a finalized and detailed report as soon as available.

Event Description

The Libertarian Party of California convention is an annual event where general state business is conducted. This meeting is where all state delegates are invited to participate in several annual agendas; including elections of officers, officer reports, bylaws meeting and platform meeting. Additionally, the convention hosts several speakers to discuss Libertarian issues and viewpoints. The convention traditionally hosts a Friday night reception and a Saturday plated banquet.

The additional goals of the Convention Committee this year were to increase attendance, media coverage and outreach, as well as introduce live streaming and recording of the event.
Background

The 2017 LPC convention committee reviewed two locational bids submitted at the executive committee on November 19th, 2016. The Bid for the Santa Clara Marriott, which was engaged by Boomer Shannon, was selected and signed on December 22, 2016 by Ted Brown. A newly formed committee, as directed by Ted Brown, first met on February 13th, 2017 via phone call to continue the planning coordination.

The Santa Clara Marriott is centrally located in Santa Clara, California. This location is 5 miles away from the San Jose Airport (SJC) and 30 miles away from both San Francisco Airport (SFO) and Oakland Airport (OAK). The location was also 5 miles away from the CalTrain train station. The Hotel offered reasonable rates for the rooms ($119/night) and many amenities including public WiFi, business center, and dining options. The contract as negotiated, prior to this committee's involvement, offered a very low F&B requirement ($10,000 minimum) but did not include basic A/V and had a high hotel room fill minimum (100 nights). Robert and Jennifer met on site with the Marriott representative to negotiate the contract on February 23rd, 2017, however they were unable to change any contract language with the exception of Marriott's rewards points number change.

Santa Clara Marriott

Room Rates
The Santa Clara Marriott contracted with us a room rates of $119/night. The room block was available until April 7th; however we were able to negotiate a week extension to this date due to low bookings. The contract was written to guarantee 80% of the committed 100 room reservations across the two day block. The LPC was able to book 68 room nights of the 80 night minimum. Parking at the hotel was not included with room reservations. Parking was $12 per day.

Space Planning & Maps
The Santa Clara Marriott allocated us the Sedona Room for both the Friday night reception and the Saturday banquet. The reception had a scattered mix of tables with a registration table near the entrance, cash bar near the back, and a projector screen and lectern in the front. This room was reconfigured to have a projector screen and lectern in the front and scattered round tables of 8 with a bar off to the side. The Rest of the convention was held in the Grand Ballroom occupying Suites A-D and Prospector A & B. The Prospector room is where we hosted the lunch speaker with mixed round.
Food & Beverage
The hotel contract included a $10,000 F&B minimum requirement. While low compared to most offers the cost for food packages was high and each purchase was subject to a 24% service charge and a 9% tax. End total spend on F&B was $17,925.35

Issues Addressed
Upon our first meeting with the Santa Clara Marriott, on February 23rd, 2017 it was clarified that the contract was signed as is and in order to renegotiate any details regarding the space, F&B, or room block we would have to renegotiate the entire contact as a whole and it was determined that we did not have the time to efficiently do so. We walked through the space and made available adjustments to the floor planning as needed to fit our needs. There was an attempt to place a right to first refusal on the rooms on the other side of the Ballroom hallway however these rooms were already booked; as were the other property locations.

Rewards Number was corrected from the existing personal account that was associated with one of the original convention committee members to be moved to an account specifically set up under the name of the Libertarian Party of California Executive Committee.

Spacing for lunch service was reconfigured to allow for stanchioned area to serve ticketed buffet due to the limited space available in the lunchroom.

Lessons Learned
- Contract should be signed well before December to allow for more lead time.
- Cash bar in convention lobby area had low sales costing more than it was able to contribute towards the F&B totals.
- Setup times and room allocations need a buffer time
  - LP Requires ½ day prep day before convention
  - Rooms should be locked for the entire time of convention, so we do not need to setup and tear town at the end of each event.

Future Recommendations
- Future convention contracts can increase the F&B minimum; especially if it will allow for negotiation of lower menu pricing.
- Additional space should be allocated to make room for vending area to be separated out from the main business room and to allow for more vendors to participate.
- An additional small room for speaker preparation and equipment storage should also be considered.

</table>

Hotel room rates are subject to applicable state and local taxes (currently 11.675% and a $1.00 per room, tourism improvement charge) in effect at the time of check-out.

---

**SPECIAL CONCESSIONS**
In consideration of the Room Night Commitment and the functions identified on the Function Information Agenda/Event Agenda, Hotel will provide Libertarian Party of California with the following special concessions:

- Complimentary Wi-Fi in guest rooms
- Waived room rental based on Food and Beverage minimum
- 15% off audio/visual equipment
- 2016 catering menus will apply for 2017

---

**COMMISSION**
The group room rates listed above are net non-commissionable. Libertarian Party of California will advise its designated agency of these rates and address any resulting agency compensation issues directly with the management of the appropriate agency.

---

**ROOMS ATTENTION**
Hotel is relying upon Libertarian Party of California’s use of the Room Night Commitment. Libertarian Party of California agrees that a loss will be incurred by Hotel if Libertarian Party of California’s actual usage is less than 80% (100 rooms) of the Room Night Commitment.

If Libertarian Party of California’s actual usage is less than 80% of the Room Night Commitment, Libertarian Party of...
California agrees to pay, as liquidated damages and not as a penalty, the difference between 80% of the Room Night Commitment and Libertarian Party of California’s actual usage, multiplied by the average group room rate, plus applicable taxes.

**METHOD OF RESERVATIONS**

Reservations for the Event will be made by individual attendees directly with Marriott reservations at 1 (800) 228-9290 or (408) 988-1500.

**GUARANTEED RESERVATIONS**

All reservations must be accompanied by a first night room deposit or guaranteed with a major credit card or by Libertarian Party of California. Hotel will not hold any reservations unless secured by one of the above methods.

**CUT-OFF DATE**

Reservations by attendees must be received on or before Friday, April 7th, 2017, (the “Cut-Off Date”). At the Cut-Off Date, Hotel will review the reservation pick up for the Event, release the unreserved rooms for general sale, and determine whether or not it can accept reservations based on a space- and rate-available basis at the Libertarian Party of California group rate after this date.

**NO ROOM TRANSFER BY GUEST**

Libertarian Party of California agrees that neither Libertarian Party of California nor attendees of the Event nor any intermediary shall be permitted to assign any rights or obligations under this Group Sales Agreement, or to resell or otherwise transfer to persons not associated with Libertarian Party of California reservations for guestrooms, meeting rooms or any other facilities made pursuant to this Group Sales Agreement.

**BILLING ARRANGEMENTS**

The following billing arrangements apply: Individual to Pay.

All meeting room, food and beverage, and related services are subject to applicable taxes (currently 8.75%) and service charge (currently 24%) in effect on the date(s) of the event.

**FOOD AND BEVERAGE ATTRITION/CANCELLATION**

Libertarian Party of California agrees that it will provide a minimum revenue of $10,000.00 (exclusive of applicable service charges and taxes) as part of the Event. Libertarian Party of California provides less revenue, any shortage will be assessed as room rental. In addition, if any food and beverage event is cancelled within seventy-two (72) hours of its scheduled starting time. Libertarian Party of California agrees to pay Hotel 100% of the food and beverage revenue guaranteed at seventy-two (72) hours.

- A firm and final guarantee of attendance will be required three (3) business days prior to each catered function. If fewer persons are served than are designated in the guarantee, you will be charged based on the number of person designated in the guarantee. If more persons are served, you will be charged for the actual number served.
- All food and beverage served in our meeting and banquet rooms must be purchased from our Event Department.

MARRIOTT CONFIDENTIAL AND PROPRIETARY INFORMATION
ROOM TURN LABOR FEES
Groups that require any function room turns or resets on the same day will be subject to a $500.00 fee per day to cover labor costs.

NOISE ORDINANCE CLAUSE
It is the Santa Clara Marriott’s goal to provide a safe and relaxing atmosphere for all of our guests. To accomplish this goal, the Santa Clara Marriott Hotel requires that all guests adhere to a code of conduct and act in a proper manner and refrain from doing anything that is likely to cause annoyance or disturbance to other guests.

Santa Clara Marriott Code of Conduct includes, but is not limited to:
1. All guests must refrain from emitting excessive noise at all times.
2. The City of Santa Clara enforces a strict noise ordinance that requires all residential and commercial properties to limit their noise to a reasonable level after 10:30PM. The Santa Clara Marriott will, therefore, strictly enforce noise policy after 10:30PM.
3. Any guest/organization that engages in any of the following activities shall be subject to eviction from the hotel: excessive intoxication; vulgar language; use of illegal substances; extraordinary amplified audio, excessive noise from DJs and/or Bands, vandalism, fights and activities that may cause damage to hotel property.

Libertarian Party of California agrees to advise its group, team, guest(s) or attendees of the Santa Clara Marriott Hotel’s code of conduct. In the unlikely event that you, members of your group, team, guest, or attendees fail to adhere to the Santa Clara Marriott Hotel’s code of conduct, the violators will be given one warning that their activities are in violation of the code of conduct. If modification is not made then the Santa Clara Marriott Hotel reserves the right to ask the violators to vacate the premises. However, gross negligence or a serious violation of the code of conduct or local, state or federal law shall result in immediate eviction and the involvement of law enforcement. Additionally, should the Santa Clara Marriott Hotel incur additional cost associated with the improper behavior as described in this section, the Santa Clara Marriott hotel reserves the right to seek restitution from the registered guest violating the Santa Clara Marriott Hotel’s code of conduct or, in its discretion, from the Libertarian Party of California.

MASTER ACCOUNT
Hotel must be notified in writing at least 7 days prior to arrival of the authorized signatories and the charges that are to be posted to the Master Account. Any cancellation or attrition fees will be billed to the Master Account.

METHOD OF PAYMENT
The method of payment of the Master Account will be established upon approval of Libertarian Party of California credit. If credit is approved, the outstanding balance of Libertarian Party of California Master Account (less any advance deposits and exclusive of disputed charges) will be due and payable upon receipt of invoice.

Libertarian Party of California will raise any disputed charges within 30 days after receipt of the invoice. The Hotel will work with Libertarian Party of California in resolving any such disputed charges, the payment of which will be due upon receipt of invoice after resolution of the dispute. If payment of any invoice is not received within thirty (30) days of the date on which it was due, Hotel will impose a finance charge at the rate of 1-1/2% per month (18% annual rate) on the unpaid balance commencing on the invoice date.

Libertarian Party of California has indicated that it has elected to use the following form of payment:

[ ] Cash, money order, or other guaranteed form of payment
[ ] Credit card (We accept all major credit cards)
[ ] Company check or Electronic Funds Transfer
[ ] [agreed alternative]

Libertarian Party of California may not change this form of payment.

In the event that credit is not approved, Libertarian Party of California agrees to pay an advance deposit in an amount to be determined by the Hotel in its reasonable discretion, with the full amount due prior to the start of the group’s event.

PAYMENT BY CREDIT CARD OR COMPANY CHECK
If Libertarian Party of California wishes to pay any portion of its obligation by credit card or company check, the credit card information must be entered into our secure online web-site.

Prior to the execution of this agreement Libertarian Party of California shall provide hotel with credit card authorization
information. A Credit Card Information Request e-mail will be sent to the e-mail address provided by Libertarian Party of California.

This process must also be followed if direct billing has not been approved and the Master Account charges will be paid by credit card or company check.

Libertarian Party of California agrees that the Hotel may charge to this credit card any payment as required under this Group Sales Agreement.

I hereby authorize that the total estimated charges for the event I am holding at the Santa Clara Marriott and will be charged in advance ten (10) days prior to arrival to the credit card shown above as a deposit on my account and any remaining balance will be charged at the end of the event. I certify that I am the authorized signer of the credit card listed above and that all information is complete and accurate.

CANCELLATION
Libertarian Party of California agrees that if it cancels the meeting it will pay Hotel $25,350.00, plus applicable taxes, within 30 days after cancellation as a reasonable estimate of the harm the cancellation will cause the Hotel. Hotel agrees that after receiving this payment, it will not seek additional damages.

IMPOSSIBILITY
The performance of this Agreement is subject to termination without liability upon the occurrence of any circumstance beyond the control of either party – such as acts of God, war, government regulations, disaster, strikes (except those involving the employees or agents of the party seeking the protection of this clause), civil disorder, or curtailment of transportation facilities – to the extent that such circumstance makes it illegal or impossible to provide or use the Hotel facilities. The ability to terminate this Agreement without liability pursuant to this paragraph is conditioned upon delivery of written notice to the other party setting forth the basis for such termination as soon as reasonably practical – but in no event longer than ten (10) days – after learning of such basis.

COMPLIANCE WITH LAW
This Agreement is subject to all applicable federal, state, and local laws, including health and safety codes, alcoholic beverage control laws, disability laws, federal anti-terrorism laws and regulations, and the like. Hotel and Libertarian Party of California agree to cooperate with each other to ensure compliance with such laws.

DISPUTE RESOLUTION
In the event of dispute resolution, the non-prevailing party will pay the other’s costs and attorney’s fees.

COMPLIANCE WITH EQUAL OPPORTUNITY LAWS
This section does not apply to customers that are not part of the U.S. federal government. This section describes the Hotel’s obligations as a federal contractor.

Hotel shall comply with all applicable laws, statutes, rules, ordinances, codes, orders and regulations of all federal, state, local and other governmental and regulatory authorities and of all insurance bodies applicable to the Hotel premises in performing its obligations under this Agreement.

Hotel (referred to as “contractor” in this section) shall comply with Executive Order 11246, as amended, Section 503 of the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans’ Readjustment Assistance Act, as amended, which are administered by the United States Department of Labor (“DOL”), Office of Federal Contract Compliance Programs (“OFCCP”). The equal employment opportunity clauses of the implementing regulations, including but not limited to 41 C.F.R. §§ 60.1-4, 60-300.5(a), and 60-741.5(a), are hereby incorporated by reference, with all relevant rules, regulations and orders pertaining thereto. This contractor and subcontractor shall abide by the requirements of 41 C.F.R. §§ 60.1-4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity national origin, protected veteran status or disability.

Hotel also shall comply with Executive Order 13496 and with all relevant rules, regulations and orders pertaining thereto, to the extent applicable. The employee notice clause and all other provisions of 29 C.F.R. Part 471, Appendix A to

MARRIOTT CONFIDENTIAL AND PROPRIETARY INFORMATION

Version 1.0
To the extent applicable, Hotel shall include the provisions of this section in every subcontract or purchase order so that such provisions shall be binding upon each contractor, subcontractor or vendor performing services or providing materials relating to this Agreement and the services provided pursuant to the terms hereof.

**SHIPPING/PACKAGES**
Each package shipped directly to the Hotel will be subject to a $10.00 shipping and receiving charge. Large Packages and Pallets will incur a $100 charge per box/pallet. There will be an additional handling fee each time that it is moved within the Hotel. Direct shipment of materials to the Hotel must be addressed as follows:

Santa Clara Marriott
2780 Mission College Boulevard
Santa Clara, CA 95054

Label should include:
- Event name and date
- Group Name (Booth #, etc.)
- 1 of # (of boxes)
- c/o Convention Services Manager (Name)

**UNATTENDED ITEMS/ADDITIONAL SECURITY** (Liability for unattended items):
The Hotel cannot ensure the security of items left unattended in function rooms. Special arrangements may be made with the Hotel for securing a limited number of valuable items. If Libertarian Party of California requires additional security with respect to such items or for any other reason, the Hotel will assist in making these arrangements. All security personnel to be utilized during the Event are subject to Hotel approval.

**2016 SELF-PARKING RATES**
The current published parking rates for daily function parking and overnight guests are as follows:
- 0-2 hours $4.00
- 2-4 hours $7.00
- 4-6 hours $12.00
- 6-24 hours $12.00 (maximum per day)

Registered Overnight Guests $12.00 per car per day

Valet Parking $20.00 per car per day

**REWARDS PROGRAM – QUALIFIED FOR REWARDING EVENTS**
Approximately (10) business days after the conclusion of the Event (provided that the Event is not cancelled and Libertarian Party of California has otherwise complied with the material terms and conditions of this Agreement), the Hotel will either award Points or submit an award for airline miles to the Member(s) identified below:

The Rewarding Events program is only available to qualified Marriott Rewards Program members. Rewarding Events is not available in certain circumstances, including (1) for any government employee or official booking a government event (U.S. government event or non-U.S. government event); (2) for any employee of a state-owned or state-controlled entity ("SOE") booking an event on behalf of the SOE; or (3) for any other planner or intermediary when booking an event on behalf of a non-U.S. governmental entity or non-U.S. SOE.

In addition, Rewarding Events is available only if Libertarian Party of California’s own policies permit the Member identified below to receive Rewarding Events points or airline miles for the Event.

The number of Points or airline miles to be awarded shall be determined pursuant to the Rewards Program Terms and Conditions, as in effect at the time of award. The Rewards Program Terms and Conditions are available on-line at marriottrewards.com, and may be changed at the sole discretion of the Rewards Program at any time and without notice.

The Member identified below to receive either Points or airline miles may not be changed without such Member’s prior written consent. By inserting the airline mileage account information, the Member elects to receive airline miles rather than Points. All Rewards Program Terms and Conditions apply.

GROUP MUST CHECK ONE OPTION BELOW:

ACCEPTANCE

When presented by the Hotel to Libertarian Party of California, this document is an invitation by the Hotel to Libertarian Party of California to make an offer. Upon signature by Libertarian Party of California, this document will be an offer by Libertarian Party of California. Only upon signature of this document by all parties will this document constitute a binding agreement. Unless the Hotel otherwise notifies Libertarian Party of California at any time prior to Libertarian Party of California’s execution of this document, the outlined format and dates will be held by the Hotel for Libertarian Party of California on a first-option basis until Friday, December 23, 2016. If Libertarian Party of California cannot make a commitment prior to that date, this invitation to offer will revert to a second-option basis or, at the Hotel’s option, the arrangements will be released, in which case neither party will have any further obligations.

Upon signature by both parties, Libertarian Party of California and the Hotel shall have agreed to and executed this Agreement by their authorized representatives as of the dates indicated below.

Lessons Learned

- Banquet tickets for viewing only can be better marketed as a free event to increase attendance.
Single Event Breakdowns

Registration

Ticketing Options
Pre-registration was prepared through Eventbrite online ticketing service and our current membership database NeonCRM. Pre sales were processed on Eventbrite and the information was then shared to NeonCRM. Per resolution passed by the LPC Executive committee a no cost ticketing option for all delegates to attend business was created. The convention committee discussed and decided by vote that only student discounts would be offered at this time. It was also decided by the convention committee to include one (1) years dues renewal with a majority of the packages; to be amended to their existing membership dates. If their membership was expired then we reactivated their membership from date of purchase.

Preparation
All pre-registered attendees badges were pre-printed and prepared the Thursday prior to the convention. The list of attendees who purchased delegate access were prepared in a spreadsheet and shared, in real time, with the Secretary to validate membership status. This step allowed our secretary to find several attendees with national only membership who wanted to join the state party or expired state memberships who wanted to re-activate their membership.

All attendees who were eligible to vote received a “Delegate” badge that included the attendees name, affiliated county, and region (north or south). Premium badges included the name and the badge access type “business only” or “speaker ok”. Premium badges were printed on perforated paper that also printed out lunch tickets and banquet ticket, if applicable. If food options were not purchased the food ticket was printed with “VOID”.

Process
Pre-registered tickets were made available for pick up at the Friday night reception. This was a successful effort as it allowed for many pre-registered attendees to be assisted in advance; allowing our front desk registration on saturday to focus primarily on new registrations. Additionally this allowed registration staff an opportunity to better familiarize themselves with the process. As each badge was received, delegates were asked to sign a check in sheet and to designated by check (x) if they will be attending saturday and/or sunday. (example below)

New registrations were processed in NeonCRM to validate membership and to accept payment. Pre-printed delegate and premium badges were available for us to hand write in names, county, and region. They were then asked to sign the same check in sheet under blank slots. Extra meal tickets were also pre-printed to allow only for the available packages. Details of what package was purchased were entered into the “comments” section of NeonCRM for each purchase.

Premium Badge with Ribbons

Delegate badge with voting hole punch
Lessons Learned
- Delegates should be asked to check in the daily delegate count upon arrival of each day.
- Separate delegate badges for each day are also recommended to help with count accuracy.
- Remove online ticket purchase ability by Friday night and encourage purchase of tickets “at the door” to avoid attendee confusion.
- Petty cash for change should be prepared and available.
- NeonCRM (or appropriate database) access should be delegated to an individual beyond the secretary to allow for increased availability and accounting accuracy.

Election

Executive Committee Appointments
Executive committee members were allowed to designate one voting delegate each. Those who were appointed must be vouched for by an executive committee member. Some executive committee members had appointed these in advance. Those who had not appointed anyone were paired with new dues paying members who did not meet the 90 day requirement.

Delegate Count
Delegates were counted via the sign in sheet by the Secretary. Once the delegate count was completed; registration would hold any new registered delegates badges. These badges were then handed to the secretary between business agendas to allow the secretary to recount and announce the new totals.

Officer Vote
Officer votes were conducted per the requirements and guidelines designated by the bylaws. Each position was voted by standing count of all available delegates.

At-Large Vote
At-Large votes were conducted per the requirements and guidelines designated by the bylaws. All available names were displayed on the projectors. Delegates were allowed to vote of their top choices for only as many positions were available. Votes with names that exceeded this count were voided. Votes with less names or for “None of The Above” were accepted. Voting paper was passed out and collected by pre-designated Tellers. Five (5) tellers were selected from individuals who were not allowed to vote. Tellers were given “teller” ribbons and a hole puncher. Holes were punched into the delegate badge to indicate a vote was already placed by the member. Tellers then left the room and tallied each total. Each count was checked by the teller chair. Those candidates with qualifying majority votes were then selected in order.

Lessons Learned
- Delegates should be asked to check in the daily delegate count upon arrival of each day.
Media / Exposure

**News Media**
An official press release was approved on April 7th and sent on April 8th to 78 new media outlets; including newspapers, radio and television stations. There were no inquiries.

**Social Media**
Regular posts were placed on the Libertarian Party of California Facebook page, the Libertarian Party of California (Official) Facebook group, Twitter, and Reddit. Both Facebook group and page received high level views and quality feedback. The Twitter account had to be recreated as there was no access to the existing one. Multiple attempts to have Twitter correct were unsuccessful. This caused twitter to have low view levels and no feedback. The Reddit account was regularly updated with ticketing and speaker information. There was high levels of view but low levels of feedback. Assigned tracking links were made available through Eventbrite to allow us the ability to monitor the activity of each social media posting.

**Direct Mailing**
The Libertarian Party of California sent out multiple letters, via email, from the chair informing of the upcoming convention. We also prepared a postcard to be sent via USPS to our members.

**Lessons Learned**
- The mailing cards did not allow us to measure impact. If these are to be done in the future a QR Code or similar should be included to apply a minimal discount to tickets as a way of measuring value.
- Link tracking should be redefined for each newsletter sent by chair.

**Future Recommendations**
- More media outreach is required. Suggest paid advertisement on local radio stations and earlier notice to newspaper events listings.
- Additional press releases should be sent with announcements of speakers with more time permitted.
- More interaction with Libertarian friendly blogs and media outlets are also recommended.
- Press releases should be added to the main LPC website for reference and validation.
Scheduling

**Business**
The schedule was designed to include all business per the bylaw requirements.

Business agenda for Saturday included approximately fifteen (15) minutes for credentialing, agenda, and delegate count, followed by officer reports that allocated fifteen (15) minutes per officer, and then break for lunch. Business resumed after lunch with one and a half (1.5) hours designated for bylaws discussion.

Business agenda for Sunday included approximately fifteen (15) minutes for credentialing, agenda, and delegate count, followed by officer election to be conducted until lunch time. Business resumed after lunch with At large elections, alternate elections and judicial elections followed by the Platform discussion for an allocated for one (1) hour. We allowed for fifteen (15) minutes for the chair to make any closing remarks.

The new Executive committee met following the end of the convention in the business room with an allocated time of one (1) hour.

**Speakers**
Speakers were scheduled in all 3 available rooms. Keynote speakers were given one (1) hour in the main business room. Speakers were assigned time slots in the speaker room starting after the keynote speaker to approximately 5pm. Lunch speakers were given one and (1) hour to speak in the lunchroom. We allowed for all those who paid to each lunch with the convention to enter a half (0.5) hour prior to the talk and all those who did not purchase food with the convention to enter five (5) minutes prior to the talk. The lunchroom was then used for any extended Q&A a speaker might need.

**Lessons Learned**
- Bylaws requires longer time slot to allow for all requests to be reviewed.
- Booking speakers in advance will reduce travel expenses.
- Speakers should be separate from business. Consider a hard time of 4 pm to end, break until 6, then 6-9pm friday and saturday night would be the time for speakers. Along with the lunch and keynote speakers, that would be plenty. (I'm good with ending business earlier than that also.)
Speakers
All speaker prospects were entered into a shared spreadsheet to track who the main contact was, the speakers contact information should anyone else have to reach out, the speakers availability, and any expected compensation (speaker fee, room, travel expenses, convention pass, lunch, and/or, banquet). Speakers were all manually entered into Eventbrite under a speaker badge for data accounting.

Lessons Learned
- Speakers should be contacted with further advance notice.
- Contact information for multiple convention committee members should be made available on the LPC website to avoid lost connections, lost leads, or communication bottlenecks.

Sponsors
Sponsor packages were decided by the convention committee to include two general package levels that allowed for marketing and convention access, Food and beverage packages that would allow a sponsor to add coffee and tea service or snack bar package (as pre-designated by the available hotel menu) to the the convention floor with marketing and convention access, and service packages to allow for a sponsor to cover the costs of convention wifi or printed materials along with marketing and convention access. Sponsor information was posted to the main LPC website.

Lessons Learned
- Details regarding sponsor opportunity should be approved and posted earlier as well as marketed via emails, newsletters, and social media.

Vendors
Vendor tabling was decided by the convention committee to include $100 full table and $50 half table options for those wishing to sell items. There would be no cost for those who are intended to be informational only. Vendor information was posted to the main LPC website. Due to space limitations at the Santa Clara Marriott we were unable to give vendors a dedicated room. Instead several tables were placed within the business floor area along a back wall. Vendors were allowed 2 floor access only badges that were designated with the word “OBSERVER”
We had no paying vendors this year due to time and space limitations. Non-paying vendors included:

- Stop Top 2
- California Libertarian Youth Caucus
- Alive Free Happy

**Lessons Learned**
- Details regarding vendor opportunity should be approved and posted earlier as well as marketed via emails, newsletters, and social media.

**Volunteers**

Volunteers were directed via newsletter, social media posts, and letters from the chair to sign up via a Google Form. The form asked for Full Name, Phone Number, Email, Type of Voluntary work (A/V, Front Reg, Security, Etc), Availability (Morning, Afternoon, Saturday, Sunday), Spoken languages, Radio experience, First Aid / CPR training, and Shirt Size. Volunteers were offered free business and speaker access per day/4 hour volunteer shift. Each volunteer was required to wear a yellow volunteer shirt to help signify their official role as a volunteer and as a reward.

13 Volunteers signed up via the form. Only 8 showed up. A total of 64 volunteer hours were contributed.

**Resources**

**Audio / Video**

**Set-Up**

**Friday Reception**

The Friday Reception required one (1) outlet for power by the registration desk for use of the printer. A projector, projector screen, and lectern with gooseneck microphone were required for the speakers at the reception. Additional setup of computer and camera were used for recording.

**Business Room**

The business room required two (2) projectors, two (2) projector screens, five (5) microphones on stage table for the executive staff, two (2) lecterns with gooseneck microphones on stage - one on stage and one on the floor facing away from the state, two (2) power drops - one on stage and one opposite for additional additional setup of computer and camera were used for live streaming.
It was decided by the convention committee to provide only one (1) microphone for audience participation to reduce debating between members and to provide a lecture to help establish order as participants with comments were encouraged to line up behind the lectern.

**Speaker Room**
The speaker room required a projector, projector screen, and lectern with microphone were required for the speakers at the reception. Additional setup of computer and camera were used for recording.

**Lunch Room**
The lunch room required a lectern with microphone were required for the speakers at the reception.

**Banquet**
The Saturday banquet required a projector, projector screen, and lectern with gooseneck microphone were required for the speakers at the banquet. Additional setup of computer and camera were used for recording.

**Executive Meeting**
The Executive committee meeting was set up in the business room with reconfigured tables and relocated cameras for recording.

**Estimates & Process**

The Santa Clara Marriott only permitted use of self owned equipment covered under the Libertarian Party of California’s Certificate of Insurance or rental through their approved vendor, PSAV. Through convention committee discussions and vote we narrowed the scope of AV needs to as little as possible however the quote provided by PSAV was still exorbitantly high. Rental through other outside private firm was discouraged as if discovered it would void our contract with the Santa Clara Marriott. After thorough research the convention committee was able to provide a quote to the LPC to purchase the necessary equipment plus additional items to be distributed between the northern and southern regions for year round hosting, at a cost of approximately $5000. The quote for all the equipment to be purchased internally still underbid PSAV’s contract for single event use.
The quote for internal purchase was also offered to be an optional expense to be covered by a sponsor. One sponsor did show interest, however only if they purchased the equipment for their own organization and in turn rented it out to the LPC for a fee. After careful deliberation by the convention committee, it was decided that this offer was neither cost effective or worth risk of voiding the Santa Clara Marriott contract.

After the LPC purchased the equipment; we were able to renegotiate the contract with PSAV to only cover necessary minimum costs. A/V purchased through the Santa Clara Marriott included power drops, set up, and internet charges, only.

Signage
Custom Signs were designed and provided by private donation, via Robert & Jennifer Imhoff. Signage included two (2) large sign for an A frame holder with business agenda printed, (1) large sign for an A frame holder with speaker schedule printed, two (2) large signs indicating "Night Event This Way" with arrow, and one (1) large vinyl banner hung behind the executive committee seating area. Signs were sourced from PSPrint out of Oakland, CA.

Packets
The convention committee was directed to provide printed bylaws and agenda for all delegates. The convention committee decided to provide a premium printed option for attendees who purchased premium packages. After reviewing multiple quotes from local printers, online printers, and contacting a known Libertarian with a printing business were reviewed by the convention committee the cheapest option for effective convention material packets to be printed in house.

A printed business agenda and copy of the bylaws were printed on 2-sided paper and stapled. Fifty (50) copies of these packets were prepared prior to the convention. Premium packets were decided to include business agenda, speaker schedule, a map of the convention facility, speaker bios, a copy of the bylaws, and a copy of the current platform printed on 2-sided paper and secured with a portfolio cover. All material was printed in black and white per the printer capability with the exception of the color front title page which was provided via donation from the Imhoff's.

Premium badges
Premium badges with clear pocket to display the pre printed perforated paper were purchased through Any Promo. These badges included lanyard. Additional cost for custom LPC printing on the badge cases was deferred due to cost. The badge design with pre-registered names were pre-printed on the same printer purchased for the package material preparation to reduce cost.

Cost:  
- Lanyards (included)
- Perforated paper $25.12
- Total $25.12

Badge Ribbons
Badge ribbons were ordered through Marco Promos. Ribbons ordered: Life Member, Volunteer, Executive Officer, Speaker, Chapter Officer, Teller, Elected Officer.

Cost: $61.00

T Shirts
It was decided by the convention committee to order custom convention t-shirts to be given to volunteers as an incentive for helping and also as a security measure to designate who was an official volunteer. The convention committee decided to order non-volunteer custom shirts to be available for purchase by convention attendees. By up selling the attendee t-shirts we were able to cover the cost of the volunteer shirts. These shirts were ordered through ReVamp Signs & Designs, a local Stockton Vendor.

Cost: $600.00

Shwag
Custom Pens - Custom pens were purchased by private donation, via Robert & Jennifer Imhoff. 130 retractable ballpoint pens with yellow cushion and “2017 Libertarian Party of California Convention” inscribed on the side. These were ordered through National Pens. All 130 pens were given out at the convention.

Custom Decals - Custom decals were purchased by private donation, via Robert & Jennifer Imhoff. 100 decals were purchased of the LP red & blue porcupine mascot from Vinyl Foundry. All 100 stickers were given out at the convention.

Future Recommendations
- T Shirt sales should have signage with price.
- Online sales of t-shirts should be considered
Planning Tools

**Google Docs**
The convention committee utilized Google Docs as a way to prepare and collaborate documentation. Google Docs allowed us to share word document, spreadsheets, and PDF’s that contained meeting minutes, draft write ups, hotel contract details, floor plans, spreadsheets for schedule and tracking. We found this to be a successful tool for those committee members who had regular internet access. However for those committee members who did not have regular internet access were still able to see any materials prepared via google docs as attachments to email.

Cost  free

**Conference call**
The convention committee utilized a free conference calling service, through Uberconference, as a way to prepare and collaborate on a live phone call with all members. This serves was successful at allowing each of us to call in from various locations.

Cost  free

**Registration**

**Eventbrite**
Eventbrite is a well known ticketing service that was used by the LPC in past conventions. The service allowed for all attendees to purchase a ticket, obtain information regarding the event, and share the event via various social media platforms. Eventbrite allowed for two cost options: include cost of service in the ticket to be paid for by the purchaser or have the event organizer deduct fees from final pay out. The convention committee decided to have attendees pay for this cost per ticket with the exception of the Platinum ticket as these high priced packages already covered this cost.

Cost  $28.49
NeonCRM

The NeonCRM database is our current membership database system. While this was effective in assisting with the registration process and allowing us to tie into the Eventbrite system there are existing faults to the database that the secretary and a separate database committee is addressing. There was no additional cost to utilizing this system under our current plan.

Cost  free

Sponsors

Platinum Badge
Gold badge sponsors were given full access to the convention including banquet and lunch both days. This package also included gold ribbon indication, premium seating option at the speaker table during lunch and banquet and optional marketing on our printed material. We had two gold sponsors who opted out of marketing. Additionally we created a separate package for platinum guest package which was priced to only cover the cost of food but allow a guest to access the convention floor as well. The guest package did not include membership renewal.

Chris Rufer
Sponsorship from Chris Rufer, Morning Star, was obtained by Robert Imhoff. This sponsorship package was specially formed outside of the pre-selected sponsorship packages due to Mr. Rufer’s request. This package included $3,000 to be applied towards coffee and tea for all attendees on Saturday and Sunday, Pastry and fruit packages for all premium attendees on Saturday and Sunday, and the remainder to be applied towards WiFi and A/V costs

Robert & Jennifer Imhoff

Private material donations were made by Robert and Jennifer Imhoff as listed above. These materials included custom pens, LP decals, printing costs, signage, and Live streaming service.

Long Beach Marriott Proposal ............................................... A1
Convention Summary

The Objective…

The Libertarian Party of California has experienced 30% growth in the last year, leading up to and following the 2016 Presidential election and is still growing. The Party’s 2017 Convention was a huge success with more attendees than at any other convention in recent history. This was primarily due to the hard work of the Convention Committee, with special thanks to Robert and Jennifer Imhoff. In planning for the 2018 Convention we need to take what we’ve learned from 2017 and think bigger and better! There is a tremendous opportunity to have MORE attendees, MORE great speakers and ultimately get ourselves ready for success in the 2018 Mid-Term Elections! And the key to success is planning early!

The Goals…

To have a successful Convention we need to be sure we are providing the following:

- A location that will attract the largest number of attendees and quality speakers
- A location that is centrally located in the Southern region of the state
- A venue that can meet the needs for both exceptional meeting space and affordable lodging
- Accessibility to a major airport, easy freeway access and options for other transportation
- Availability of suitable conference dates
- A location that will attract volunteers from nearby County Affiliates as well as other local volunteer organizations

The Solution…

Long Beach offers all the above and MORE! It is located within Los Angeles County, is minutes from Orange County and is less than a two-hour drive from both San Diego and Santa Barbara. Los Angeles County is the Largest Libertarian Party Region in California and Orange County and San Diego are the 2\textsuperscript{nd} and 3\textsuperscript{rd} largest Regions in Southern California.

Long Beach Airport has direct service to and from San Francisco, San Jose, Sacramento and Oakland via Jet Blue Airlines which has fares as low as $44.00 each way from all the airports listed. In addition, Long Beach is only 22 miles from both Los Angeles International Airport and John Wayne Airport in Orange County.

Additional Benefits of Long Beach:

- For those that want to take the train, Long beach offers access to Union Station via the Metro Blue Line and Amtrak has service to Union Station for anywhere in California.
- Outstanding attractions for those that want to venture outside the hotel, such as The Long Beach Aquarium of the Pacific and The Queen Mary. Disneyland is less than 20 miles from Long Beach and is close to many other attractions including Knott’s Berry Farm, Universal Studios, live theater venues and the best beaches in California.
Key Benefits of Long Beach as the Host

2018 Mission…

As we move toward the mid-term elections in 2018 there is major upheaval in the political spectrum both nationally and in the State of California that needs to be addressed. Right now is the time that the Libertarian Party of California needs to step-up to the plate and show that we, as a party, have REAL solutions for the REAL problems that face all of us. As such, we need to present ourselves as a Party to be reckoned with and our annual convention in 2018 is exactly the time and place to do so!

While in the past the annual convention has been coordinated by outside contractors or County Affiliates, by letting others take the reins we gave up the opportunity to present the issues that represent the party as a whole. Therefore, it’s important that we brand ourselves as a unified state party and take on the responsibility given to the State Officers and Representatives when the Central Committee elected the Executive Committee.

The proposal that the State Party take the lead in planning for the 2018 Convention is not to take away opportunities from the local party affiliates. We need to work with ALL of the local affiliates so that ALL of our best interests, and the interests of ALL Californians, are taken into account. Having the State Party directly involved does more to encourage the participation from all regions than any other option.

Boots on the Ground…

As the sponsor of this proposal, I live less than 10 minutes from the Long Beach Marriott. I can be the boots on the ground for day-to-day negotiations and coordination, and have already negotiated great rates and low room night requirements. However my hope is that the Convention Committee consists of not just members of the Executive Committee, but also that it has representation from several Southern California Affiliates. I have spoken with Brian and Christine Kelly and George Reis, Officers from Orange County, and they are ready and willing to get involved. Alicia Dearn, San Diego Chair, has reviewed the proposal and agrees that Long Beach is the better option. I also hope, if this proposal is accepted, that the Los Angeles County Affiliate will join in, as well as the other Southern Counties, so that we can make this the best convention in the History of the party!

Why is Long Beach the right place? It is central to both Los Angeles and Orange Counties. It has the opportunity to attract the best speakers as well as the most media. I personally have created relationships with KFI news reporters as well as the Long Beach Press Telegram. As a past Editor-in-Chief of the Cal State Long Beach Union Newspaper I am confident that we will get reduced rate (if not free) advertisement as well as news coverage. I also will be able to attract volunteers from Cal State Long Beach and the Long Beach City College Student Libertarian groups.

**Going Forward...**

- Hotel Room night minimums should be negotiated to be a lesser minimum with the option of expansion if more rooms are needed. This will minimize the party’s risk of paying for rooms that aren’t used.
- Catering negotiations must insure reasonable pricing that will encourage more members to buy food packages as well as reducing or eliminating added service fees or taxes.
- Packages need to be priced to insure all expenses are paid for the food items purchased and also include a profit for use in paying for other necessary convention expenses.
- Membership dues should not be included in the Convention Package options. This option caused more problems than it solved as many members didn’t realize it was included and renewed their memberships the same day they purchased their package. Instead an add-on option for only new memberships, at a discounted rate, should be offered to increase sales and grow the party. As these will be new members joining through the state there will be no issues with dues sharing.

* Based on 2017 Convention Sales

**Package Profit**

- Total Sales: $12,305.00
- Less Direct Food & Beverage Cost: $9,895.00
- Gross Sales: $2,410.00

**Additional Convention Costs**

- Audio Visual (drops and power supply)*: $680.00
- Badges: $700.00
- Printing: $600.00

- Gross Costs: $1,980.00

*Internet for Live-Streaming would be approximately $1,500 and paid by sponsorship

**Net Profit**

Based only on an apples to apples cost vs. income analysis per the 2017 Convention, adjusted by the proposed 2018 costs and pricing, the convention would turn a net profit of $430.00.

**Additional Note:**

With early marketing, greater value in packages at a lower package price for early registration, sales are anticipated to be much higher therefore a far greater profit is expected.
Conclusions

Learning from the 2017 Convention...

The 2017 State Convention had the highest attendance in recent memory, with 20 more delegates than the most attended convention in the past 6 years. In addition, it had a polished and professional look while still staying true to our Libertarian beliefs. However, the 2017 Convention suffered from a lack of time to promote the event as well as a poorly executed contract with the host hotel, ultimately creating a net loss in income. Many attendees at the convention expressed disinterest in the lunch buffets due to the high price and therefore many opted for no or low cost convention packages.

Planning Early...

Based on the lessons learned from the 2017 Convention the key to success is to start planning early! This gives more time for better negotiation with the host hotel as well as more time for marketing! Offering "Early Bird" package pricing will insure members sign up early, therefore giving the party time to fine tune the food and beverage packages with the hotel. Also, with offering a discount on membership dues we will insure greater attendance, better visibility and growth of the party prior to the 2018 mid-term elections.

Speakers...

With advance planning we can attract speakers that will appeal to both current members of the Libertarian Party as well as the community at large. Long Beach will attract the best speakers as it offers so many benefits and amenities. Matt Welch, Author and Editor-at Large for Reason, Lisa Kennedy Montgomery, author and Host of Kennedy on Fox Business and Drew Carey, comedian and television host have been contacted and have expressed interest in speaking at a convention held in Long Beach. These high caliber speakers will insure both high attendance and local (possibly national) media coverage!

Additional speakers should be identified and contacted as soon as possible to insure sufficient time for promotion. This will also insure that we have the largest audience possible to promote our California Candidates!

Promotion...

As the sponsor of this proposal I will work tirelessly to promote the Long Beach Event. I will be personally canvassing the Long Beach area for my campaign for State Assembly and can distribute Convention information at the same time. I will also personally be in contact with local media to promote both my campaign and the State Convention.

Tim Ferreira – CA Central Committee Member
Mimi Robson – CA LP Secretary

Agenda

- Update Executive Committee on NeonCRM progress
- Update Executive Committee on NeonCRM Replacement
- Recommendations
- Budget Request

Database Committee

Committee Purpose

- Clearly identify problems with current NeonCRM solution
- Identify quick wins to resolve problems within NeonCRM
- Build process around managing membership in NeonCRM
- Explorer replacements for NeonCRM

Mission Statement

To provide a real-time, accurate account, of new, existing, and potential members of the California Libertarian Party, for purposes of maintaining membership information and providing real-time accurate information from one central system.

Executive Overview

The Database Committee has made great strides towards fixing technical issues with our current NeonCRM, and re-building process for day to day functions of the Secretary. We have been successful in identifying the needs of the Libertarian Party of California as it relates to membership and donation tracking. These have been captured as Success Criteria, which will allow us to generate metrics on the quality of our membership database.

After over 200 hours of research, process creation, service training, and repairs, the database is now hovering above 90% accurate for current membership numbers. The Secretary will continue to work with County Affiliates to get these numbers to 100% over the coming months.
However, during the research and repair process, it has become clear that NeonCRM – in its current form – is no longer sufficient source of truth for membership. As we look to the future, we expect the growth of membership will not allow us to maintain accurate and fast reporting of membership data using NeonCRM. The database committee therefore recommends that we begin Phase 2 of the database replacement project. In Phase 1 we explored what is required for a membership database, built out success criteria, and selected three vendors that could meet these needs. Phase 2 will begin the process of testing these three vendors with sample membership data from our current database. We will then accurately report how well our success criteria is met, and be able to move onto Phase 3 – Migration of Data to new Database.

The database committee is asking for a $500 budget to begin testing: A new NeonCRM, and National Builder, and CiviCRM across a three (3) month period, after approval. We will then report back findings at the next Executive Committee Meeting (September / October 2017).

Finally, the State Treasurer reports that Authorize.net does not meet the needs of a political party who has FPPC reporting requirements. He has asked that we expand our research to also include finding a replacement to Authorize.net. We have added that to our responsibilities.
NeonCRM Report

- Crosstrain secretary on NeonCRM completed
- Crosstrain new treasurer on NeonCRM in progress
- Changes to NeonCRM
  - Updated “New Membership Form” to be more simple
  - Forced “Pledge” to be required to sign up as new member
  - Updated all LPC addresses to point to new address
  - Updated all contact information to use current treasurer, secretary, and database chairperson
  - Removed “Gift” options in “New Membership” process
  - Updated Life Member price in “New Membership”
- Process change in NeonCRM
  - Created County Password Procedure for secretary
  - Researched “Deferred” status, updated accounts, and deprecated the use of “Deferred”
- System changes in NeonCRM
  - Ran report for all non-county members, worked with counties to get members placed in correct counties. Report now available to see status of these records
  - Ran report for all non-pledge members, working towards getting pledge status updated for members.
- Secretary progress
  - Completed “Backlog” in system
  - Completed “Declined” report in system
  - Removed “Deferred” from process
  - Monitoring all new members, renewals, and declined transactions
- Work to be completed
  - Update email templates
  - Fix physical mail merge process

NeonCRM Replacement

The database committee has successfully resolved many errors and omissions within the NeonCRM system, with the direct assistance of the secretary. In addition, new processes have been created to ensure that information is being updated in real-time. The membership database is in a much better situation than it was 12 months ago. We have high confidence that the accuracy of all records now exceeds 90%.

However, during the process of updating NeonCRM and building processes to work within the system, it was clear that it is not built to give all the features and information that a political party would want or need to use. We think that it is important to continue to explore requirements for a new membership database, and consider a replacement.

Below is a list of persistent issues that would be very difficult to resolve in our current membership database:
- Membership dues and donations are difficult to reconcile with monies in bank account
  - Some members pay their county directly, and it is important that we record that county collected money, and there is no transaction to track in LPC bank account is difficult
Money transaction do not connect directly to authorize.net transaction (this is BOTH a NeonCRM issue AND an Authorize.net issue)

- Consistency for how transactions are recorded is not done well, and system does not provide “rails” to prevent incorrect data entry

- NeonCRM was built for non-profit events, not political parties
  - Neon requires custom fields for political parties, and does not integrate with the platforms intended purpose
  - Neon does not offer political services like other systems do (E.g. Auto populating voting districts based on address)
  - Membership levels are cumbersome, and logic to support auto renewal based on monthly donations is not very good

- Reporting data in NeonCRM is inconsistent or incompatible
  - Running the same report twice within a 10min period can return different results with no real reason why
  - System requires that reports use special search fields, without documentation on those fields purpose
  - Running reports on questions like, “Who has shown interest in phone banking?” cannot be run
  - Running reports to reconcile FPPC requirements are not possible without significant work and support from NeonCRM team.

- Custom Searches and Reporting not possible
  - NeonCRM does not allow for searching on custom database fields (Like county officers), you are required to run a report for simple searches like this
  - NeonCRM does not allow for “tags” of each member, meaning things like “Top donations”, “Attended Rally”, are not easily captured.
  - NeonCRM does not allow for freeform reports, you must start with a basic report. This means a donation report, where you want to also capture membership data, cannot be generated.

**Recommendations**

1. Continue supporting the Database team’s efforts to clean up and operationalize membership work in NeonCRM
2. Expand database committee into also searching for Authorize.net replacement (As recommended by LPC Treasurer)
3. Continue to research replacements for NeonCRM
4. Consider budget for testing alternative solutions to NeonCRM

**Budget Request**

The Database Committee would like to formally request $500 for a 3-month project to begin testing alternatives to NeonCRM. The committee has reduced the possible replacement systems as follows:

- CiviCRM (Self-Hosted)
- Nation Builder
- Re-Deploy new NeonCRM
We are asking for a $500 budget to cover the following costs:

- NeonCRM Test Account $50/month (https://www.neoncrm.com/pricing/)
- CiviCRM Hosting Fees $43.92/month (https://aws.amazon.com/ec2/pricing/on-demand/)
- Nation Builder Test Account $59/month (http://nationbuilder.com/pricing)

Total: $458.76 (estimate)

IT Workgroup Committee

Committee Purpose
- Clearly identify problems with current IT Systems
- Identify quick wins to resolve problems within IT Systems
- Consolidate IT resources and reduce costs
- Maintain day to day operations of IT Infrastructure

Mission Statement

To provide a process oriented supervision of information technology resources for the state party and provide guidance on new technologies as they become available for use within our programs.

Executive Overview

After becoming an at-large member of the LPC, Robert Imhoff reached out to Gale Morgan to receive login account information for the IT Systems managed by the party. Gale provided all known login information via a spreadsheet to Robert on 2017/05/10. To my knowledge, we now have login access to all known systems managed and paid for by the party.

Review of the IT systems is ongoing. There are a lot of systems we pay for. There is also a lot of “project” based IT resources that are no longer being used. There is opportunity for the LPC to review, remove, and consolidate many of these resources.

For example, we use one system, Liquid Web, for mailing list, but another system, Site Ground, for email and email forwarding. Another example is web hosting. We currently pay Google, Amazon, Rackspace, Freespace, SiteGround, Liquid Web, Digital Ocean, and GoDaddy for website hosting services.

It is my recommendation that based on this information, an Information Technology Workgroup Committee be formed to manage these systems.

Communication Director

Communication Director Purpose

The Communication Director is to provide guidance on the implementation of the marketing and communications plan, which includes:

- Maintaining the integrity and increase the usage of LPC brand
- Assisting in the continuous development of the website
- Assisting in the continuous development of social media accounts
- Facilitating and promoting county affiliate participation to increase membership value, benefits, and satisfaction
- Providing content ideas for county affiliate wide communications as needed
- Promoting best/promising practices through various media modes
- Identifying opportunities to partner with existing or new public events related to the LPC’s values and platform

Mission Statement

The mission of the Communication Director is to oversee the strategic communications of the Libertarian Party of California’s (LPC) brand with state and national news outlets and on social media; to establish an ongoing publicity campaign and media presence to disseminate information about the LPC’s platform, candidates, events, and activities.
Executive Overview

As Communication Director I have worked to establish a clearly defined purpose and mission statement for this role. Both are designed to help guide myself, or any future volunteer for the role, and the Executive Committee to better understand the expectations and responsibilities. I have also helped send out 3 press releases, as written by Ted Brown. Each was sent to a list of 62 media outlets that have been identified as organizations most likely to publish information regarding politics on a state level. This data was gathered through the Gary Johnson Campaign but will continue to grow and adjust as we interact more within news media.

The other big effort I have been focused on is preparing a plan for our social media presence. We currently have several Facebook, Twitter, and YouTube accounts. Each platform can use some cleaning up and guidelines to help us with more strategic communications of the Libertarian Party of California’s brand on social media platforms and to establish a consistent and credible presence. I have begin discussing these factors with a couple of volunteers that Ted Brown has directed my way who were interested in the specific project. Together we have been working to identify the various issues, needs and goals of our social media behavior and appearance.

I would like to ask the Executive Committee to allow me to initiate a social media sub-committee to allow me to delegate tasks and access of our social media accounts. I currently have 2 dedicated individuals who are eager to continue assisting me with the goals I have already outlined.

I would also like approval to adjust the administrative roles of our Facebook page. Currently there are nine (9) people involved in the Facebook Page who have some form of access. I would like to adjust this to remove those who are inactive on the site and/or party on a state level and be allowed to add access to those within the pending social media committee so I can start delegating tasks to increase our presence.

Social media is one part of our overall marketing strategy. We will also still use more traditional methods of advertising, but will make sure to include our social media profiles on all advertisements, mailings and other marketing efforts. I will continue to identify these long established forms of communication and how we can better leverage each one in order to get the most output for our efforts and cost.

Press Release Update

Social Media Committee

Committee Purpose

The Social Media Committee is to provide guidance on the implementation of the marketing and communications plan, which includes:

- Refreshes social networks regularly.  
- Organizes and distribute news to members via newsletter, social media, and regularly-updated content for the web site.  
- Writes copy appropriate for public dissemination.  
- Chooses and shares content of interest to the Libertarian community via social media.  
- Advises the Libertarian Party of California on social media presence and identify new forms of social media appropriate for publicity.

Mission Statement

The mission of the Social Media Committee is to assist the Communications Director, under guidance of the Executive Committee, with the strategic communications of the Libertarian Party of California’s (LPC) brand on social media platforms; to establish a consistent and credible presence to disseminate information about the LPC’s platform, candidates, events, and activities.
Executive Overview

This report was prepared in anticipation of the approval of a Social Media Committee at the June 11th, 2017 Executive Committee Meeting. With the growing responsibilities of the Communication Director I believe it is imperative to set up a committee to allow me to delegate tasks and access of our social media accounts. I currently have 2 dedicated individuals who are eager to continue assisting. We have worked in preparation of this meeting to identify what the committee’s purpose, mission, goals and objectives will be.

While the main purpose of this committee is to help create and distribute content; the committee should also be focused on a greater objective. These objectives have been designed to guide the committee towards preeminent goals in order to guide the content. Our exploratory goals will be focused on how the committee can be best utilized to work towards the interest of the Libertarian Party of California. These goals will define the questions we should be asking as we set forth on each new objective.

Based on our preliminary conversations we have identified several recommendations towards content style. These recommendations include reducing posts involving memes or other satire material and increase posting content related to state legislative based content; based on analytical and demographic data. In order to facilitate this recommendation we intend to increase engagement with (local and state) politicians, agencies, and organizations that are aligned with the LPC’s values to encourage cross posting and audience assimilation and to increase visibility of pertinent posts through utilization of Facebook Ad Boosts. Ad boosts cost can range from only $2.00 - $15.00 but increase visibility by 5-15%.

I would like to ask the Executive Committee for a $25 Facebook ad budget to be used at the discretion of the Social Media Team to help increase visibility of posts like the SB562 Press Release where we want to get as much media visibility as possible.

Exploratory Goals

- Define the current status of our social media presence to determine what is working and what is not.
- Identify and incorporate potential social media platforms that the LPC can utilize to increase efficiency or audience.
- How do we build our brand and leverage our marketing message through these networks?
- How will social media fit into the LPC’s overall online marketing and offline marketing strategy?
Objective

- Identify and document all social media accounts currently or previously associated with the LPC
- Analyze and determine which accounts are within the scope of the Social Media Committee and provide feedback and recommendations to the Executive Committee
- Identify and manage which individuals have access to which accounts; to allow the LPC to maintain master control of each social media account and its content
- Define an obtainable and scalable quota for minimum posts to assure a reliable consistency of output
- Prepare a social media guideline; identifying standards for content

Recommendations

- Reduce meme style posts.
  - the median age for a Facebook user is around 40, and it keeps rising. So memes are a no go on Facebook, but articles from reputable news outlets, interviews from famous members, interviews from candidates, statistics showing the viability of the party, etc. are all great alternatives.
- Increase legislative based content
  - Facebook analytics have already shown that posts regarding current state policies perform ±80% better than other posts
  - Posts regarding LPC action towards state legislative issues perform ±90% better than other posts
- Increase engagement with (local and state) politicians, agencies, and organizations that are aligned with the LPC’s values to encourage cross posting and audience assimilation.

Social Media Committee Requests

- Approval of a $25 Facebook ad budget to be used at the discretion of the Social Media Team.

Meeting History

- Email Discussion initiated: 2017/05/30
- Google Group initiated: 2017/05/30
