Libertarian Party of California Operating Procedures Manual

POLICY MANUAL OVERVIEW AND INTRODUCTION

An organization is subject to public law and such other rules it adopts to govern its operation.

The rules governing the Libertarian Party of California Executive Committee are as follows and supersede each other in the order listed:

- **Bylaws:** Prescribe how the organization shall function. They may not be suspended, except for clauses that provide for their own suspension or clauses clearly in the nature of rules of order.
- **Special Rules of Order:** Relate to rules for orderly transaction of business that differ from those contained in the adopted parliamentary authority.

Special Rules of Order [previously referred to as Standing Resolutions (89)] are rules for orderly transaction of business (i.e. relating to parliamentary procedure) that differ from those contained in the adopted parliamentary authority. They are superseded only by the Bylaws and any applicable procedural rule prescribed by federal, state or local law, unless the rules in such documents specifically provide for their own suspension.

A special rule of order may be adopted, amended, rescinded or suspended. Adoption, amendment, or rescission requires either (a) a two-thirds vote with previous notice or (b) a vote of a majority of the entire membership of the Libertarian Party of California Central Committee.

- **Rules of Order:** Relate to orderly transaction of business. These are usually contained in the adopted parliamentary authority, which in this case is the 10th edition of *Robert's Rules of Order, Newly Revised* (RONR).
- **Standing Rules:** Shall be limited to matters of policy and shall define the operating procedures of the Executive Committee.

Standing Rules [previously referred to as Advisory Resolutions (89)] relate to details of administration. They are superseded only by the parliamentary authority, Special Rules of Order, Bylaws and any applicable procedural rule prescribed by federal, state or local law, unless the rules in such documents specifically provide for their own suspension.

A standing rule may be adopted, amended, rescinded or suspended. Adoption requires a majority vote. Amendment or rescission requires either (a) a majority vote with previous notice or (b) without notice a two-thirds vote, or (c) a majority of the entire membership of the Libertarian of California Central Committee.

- This Policy Manual is a compilation of the rules governing the Libertarian Party of California not already reflected in its bylaws or rules of order.

Libertarian Party of California Operating Procedures Manual

This is not a complete record of all Special Rules of Order or Standing Rules (formerly referred to as Standing and Advisory Resolutions) as the *Libertarian Party of California Standing and Advisory Resolutions*, which was last updated in March of 2000, was the most current version available. Being that not all Convention and Executive Committee Minutes are available to the current Secretary, any resolutions adopted in the unavailable minutes are not reflected in the current document.
